

**Sepulveda**

Mmes. Emmett Milburn, James Craig, Robert Whitney, Ben Ruffalo, Ben Holden and Emery Vrana were nominated as delegates to attend the district convention to be held in the Long Beach municipal auditorium April 17. They will represent Sepulveda PTA.

After discussion of ways and means projects the executive board decided to hold a bake sale at Thriftmart in the Southwood Shopping Center on March 29.

Mrs. James Craig was named secretary pro tem and last-minute preparations were completed for the dance and card party being held at Sea-Aire Recreation Center.

Everyone is urged to attend the association meeting Thursday at 8 p.m. in the Sepulveda School cafeteria. Election for next year's officers will be held at this meeting. Further nominations for the officers can be made from the floor.

A humorous skit depicting a PTA meeting will be presented by several PTA fathers. Music is by the Sepulveda "Fathersingers," singing in a barber-shop quartet style. The history of PTA will be read by Albert Yackie, historian.

Raymond Sedlacek will present "Road to the Stars," a colored movie distributed by North American Aviation. It is a documentary film showing the history of rockets and guided missiles from the earliest known rockets to the present-day ICBM and IRBM. It provides up-to-date educational information on guided missiles.

Mrs. Russell Mayer was chosen to serve as publicity chairman.

**Circle Hears Lecture On India School**

Estrellas Circle of the Hollywood Riviera Methodist Church met on Tuesday, March 4, at the home of Mrs. Keith Jones, 425 Paseo de las Estrellas.

Mrs. Arthur Owens, 413 Via Los Miradores, was the guest speaker for the group.

Mrs. Owens and her husband, who is now the assistant pastor of the Redondo Presbyterian Church, were in charge of the Woodstock Missionary School in India. Mrs. Owens told of her experiences with the school children. The school was located in rugged mountain country in northern India near Tibet. "When walking with the children, it was not unusual to have a leopard cross our path," said Mrs. Owens.

The children were of several nationalities including the granddaughter of the King of Nepal. Ten major religions and 40 denominations were represented.

Mrs. Owens stated that the most inspiring phase of the school life was the fact that there was no racial discrimination among the children and that there was a complete acceptance of each other on individual merit regardless of race or economic status.

Mrs. Owens displayed an interesting collection of bells. The servant responsible for the chore entoned by the bells responded to the bell tone meant for him or her.

Mrs. Owens showed the group an Indian sari and gave a demonstration on how it is worn using circle member Mrs. Charles John as a model. Under the capable direction of Mrs. Robert McMahon, the group plans to sponsor a tea for new church members on Palm Sunday. The group also voted to have a rummage sale in Redondo Beach in April.
